

# How to Play Tambola (Housie)

Tambola, also known as Housie, is a popular game of chance.

Objective: To be the first to mark off numbers on your ticket in specific patterns.

Setup:

- Each player receives one or more unique Tambola tickets.
- The Caller announces random numbers (1-90).

Gameplay:

1. As the Caller announces a number, if it's on your ticket, mark it off.
2. Announce your claim for a winning pattern immediately after marking the last number for that pattern.
3. The Caller verifies the claim. If correct, you win the prize for that pattern!

Common Patterns:

- Early Five: First 5 numbers marked on a ticket.
- Top Line: All numbers marked in the top row.
- Middle Line: All numbers marked in the middle row.
- Bottom Line: All numbers marked in the bottom row.
- Full House: All 15 numbers marked on your ticket.
